Nate Ellis is the new Pastor of the United Baptist Church in Decatur

I want to thank the Lord for leading our family to Illinois. I recently accepted the call from the United Baptist Church in Decatur to be their pastor. Although moving from the hills of east Tennessee has been some adjustment in culture and climate we are excited about what God has for us and this church in the future. Beth and I are blessed with two children, Luke (18 months) and Lydia (5 months). I graduated with a master's degree in 2004 from Georgia Baptist Theological Seminary, an independent, fundamental school near Atlanta, GA. I met my wife shortly thereafter while preaching a youth revival in Tennessee at her home church. Prior to the call to United we had been involved in evangelism and local church ministry at the Calvary Baptist Church of Kingston, TN. We thank God for saving us and using us for his glory. Romans 1:16

Please pray for the following AIBCI churches that need a Pastor.

Calvary Baptist Church in Belvidere

First Baptist Church in Danville

Bethel Baptist Church in Schaumburg
